INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Maud Hammock being first duly sworn deposes and says:

I am 25 Years old, and I live at Grueman Ark. I claim my Indian blood through my father, Reuben Markham. I remember my father and I have heard him say often that we had Cherokee Indian blood. He was 69 years of age at the time of his death. He was born in Middle Tenn. I think my father was a 1/4 Cherokee Indian. His father's name was Robert Markham, a 1/2 blood, and my great grandfather was James Markham. He was born in N. Y. He was called a full blood. My grandfather, Robert Markham was born in West Va. My grandfather died in Craighead County, Ark. in 1877. My grandfather, Robert Markham was up in the fifties when he died. He left West Va. before I was born. My Indian grandparents married white women. I never heard of any of my ancestors getting any money from the Government on account of their Indian blood. We are regarded as Indian in the community in which we live.

Dear Sir:

In reply to yours of the 20th ult. will say that I lived at Chestnut Gap, Fannin County Ga. in the year 1852. And at that time I knew nothing of the Indian Claims. And this is also the reason why my Grand Mother's name was not enrolled in 1851. I can't say where my Grand Parents lived in 1834-35. I think they went from North Carolina to Ga. many years ago. I never heard of them being slaves, and feel sure they were free at all times.

I will be glad to answer any other questions relative to my claim and hope you will succeed in getting it through.

You can address me at Valhermoso Springs Alw. The Post Office at Walling is discontinued.

Yours Respect.

My name is Bettie A. Henderson. I live at Walling, Ala. I was born in 1874 in Fannin Co., Ga. I claim my Indian blood through my father and his mother. My father died in 1891, and was about 60 years old when he died. I think he was born in Ga. In Fannin County, I reckon. ~~My father~~ My father and his mother were recognized as white people, and always lived with the white people. I have been taught that my grandmother on my father's side was Quarteroon Indian. I never heard of her living with the Tribe. I never heard of any Indian name that she had. My father and grandmother never got any money or land from the Government on account of Indian blood. I never heard of them being enrolled. My father was living in Fannin Co., Ga in 1882. I don't know why he was not enrolled with the Cherokees at that time. I think my grandmother had a brother named Bud Barker. He came to visit her in Ga. from N. C.

My name is James M. Henderson. I live at Hartsell, Ala. I lived in half mile of where the Indians were forded up. I don't remember just how old I was then. I was a small boy. The Indians had left there at that time. I claim my Indian blood through my grandmother on my father's side. She was a 3/4 Indian. My father died in 1863. I could not tell you how old he was then. My grandmother's name was Polly Harbison. ~~Harbison~~ I don't know where she was born. She lived with the Indians until they were forded up. Then and her husband ran away up in the mountains. I don't know whether her husband was an Indian or a white man. My father and his mother never got any money from the Government as I know of. I never heard of them being enrolled. I never got any money from the Govt. In 1882 I was living in Morgan County, Ala. I did not hear of any enrollment at that time. I cannot recollect just what tribe my father and grandmother belonged to. I am told my aunt and other witnesses that it was Cherokee. My father was a small boy when the Indians were forded up. I never heard him tell any thing about it. He died when I was a small boy. I never heard of my grandmother having any Indian name.

Sir:

Enclosed you will find application of George H. Jackson, of Lady Lake, Florida, which is defective in that the affidavit of two supporting witnesses has not been filled out, as required. Please have the affidavit duly executed and return the application to this Office without delay.

Your attention is particularly called to the provision of the advertisement published by this Office, to the effect that all applications must be made upon the prescribed form. You have entirely disregarded this provision in that you have had application blanks printed, and, while this might not have been a serious objection, if you had used suitable paper, the paper that you did use was of such inferior quality and so poorly adapted to the purpose that it is a matter of serious concern, as it is doubtful whether the applications will stand the handling they will have to receive. If you should have occasion to file any further applications, you are requested to use the blanks supplied by this Office, which are furnished free. This Office is informed that you have been making charges for these blanks, which is doubtless the reason for your having them printed yourself. This you should not do in the future. This particular application is

Anderson P. Cagle,-- 2.

on better paper than much that you have used. The paper used is so poor that, in a number of cases, before the applications reached this Office, they had already been torn and pasted together.

Respectfully,

Chief Clerk.

Hon. Guion Miller,

Special Commr. of Court of Claims,
Eastern Cherokee Enrollment,
Washington, D. C.?

Dear Sir:-

In the matter of application of James R. Bowles No. 21524 for participation in fund arising from judgment of Court of Claims in favor of Eastern Cherokees, we hereto state that Mr. Bowles has handed us your letter of June 10th. to him, advising that you have recommended his application for rejection by the Court.

As we have in our possession what we think valuable evidence showing Mr. Bowles' right to participate, will you kindly advise us in what particulars Mr. Bowles' proof is lacking.

We have before us copies of two affidavits made in his case one by Mary G. Hutt, sworn to on the 3rd. day of January, 1906, stating that of her own knowledge she knows that the applicant is a lineal descendant of Allen Bowles who was a Cherokee Indian and drew land about 1832; the other affidavit signed by G. E. Hudspeth, on 3rd. day of April, 1909, stating that claimant is a descendant of Allen Bowles, and that affiant personally knew Allen Bowles, affiant referring to a certain certificate attached to affidavit.

Do the original of these affidavits appear in the file of claimant's application in your Office?

We also have in our possession a deed of grant by the State

of Georgia to Allen Booles reciting "that in pursuance of the Act of the General Assembly of this State entitled 'An Act to lay out the Gold Region in the lands at present in the occupancy of the Cherokee Indians, into small lots, and disposing of the same by separate lottery' passed on the 24th day of December, 1831, I have given and granted and by these presents do give and grant unto ALLEN BOOLES, &c. all that tract or lot of land lying and being in the nineteenth District of the third section in the County of Cherokee, &c."

This grant has been in Mr. Bowles possession and he delivered same to us. He further says that he can show by testimony when the name was changed from Booles to Bowles. Has your Office a record of this Grant having been put in evidence to substantiate claimant's right in this participation?

Also please advise us if the matter is completely out of your hands or if you can still take testimony and recommend to the Court that your former decision be vacated, and names be replaced on the Rolls.

If you will kindly give us some idea in what respect Mr. Bowles showing for participation is defective, we will greatly appreciate it, and would also thank you to let us hear from you in time for us to file our exceptions as in the letter of June 10th. set out, if same shall become necessary.

Very truly yours

Wm. J. Simpson

June 21, 1907

Mattie Wyatt,
Broken Arrow, I. T.

Madam:

Your letter of June 12, 1907 relative to the Eastern Cherokee enrollment is at hand, and in reply you are advised that Anderson P. Cagle has filed your claim for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees. This claim will be taken up for consideration in its regular order, and if any further information or proof is required, you will be duly notified through your said attorney. As a very large number of claims have been filed, it will necessarily take considerable time before they can be adjudicated, and no money can be paid out until the enrollment is complete.

Your stamped envelope is returned herewith, also the card sent you by Mr. Cagle.

Very respectfully,

Special Commissioner.

No. 21527--8593

Mattie Wyatt, after being first duly sworn, deposes and says:

I am 50 years of age; was born in Henry County, Tenn. I claim Cherokee Indian blood through my father. I am not a Cherokee allottee and have never received any money from the government. I have never tried to get any Indian money prior to this time. I never tried to get any before because I did not know how to go about it. One of my brothers tried to get an allotment but has not as yet. My father never got any Indian money from the government. I have heard of my Indian blood all my life. My father was born in Georgia. He came West from Tennessee about 1870. My father was a voter. I have seen my father's parents. My grandfather had the Indian blood. He moved from the Cherokee Nation in Georgia to Tennessee and died there. My father never tried to get any Indian money.

App. No. 21529

December 11, 1907.

Wm. J. Galloway,
Columbus, Ga.

Sir:-

Relative to your application, No. 21529, for participation in the Fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you claim your Indian descent through your father, William Robert Galloway, and through his father, John Galloway.

Was your father, William Robert Galloway as stated in your application, known by any other English name? Was he full blood Cherokee Indian and was he recognized by the tribe? If not, to what extent was he of Cherokee blood?

Where did your grandfather, John Galloway, live and where did he die? To what extent was he a Cherokee Indian by blood? Was he duly recognized by the Cherokee tribe and did he live with it during his life-time? Why was he not enrolled in 1835 and why was he not enrolled in 1851, if living at that time?

If your father was born in Oglethorpe County, Ga., what reason can be assigned for his parents living there at that time and so far removed from the recognized Cherokee country in Georgia?

If your sister, Ophelia Anderson, as stated in your application, known by any other name?

W.M.G. 3

Were you or any of your ancestors ever held as slaves?

Since the name of your father, William M. Galloway who died as late as 1896, does not appear to have been enrolled in 1861 nor in 1835, nor does the name of his father, John Galloway, appear to have been enrolled at those periods, you must furnish this office with good, sufficient, direct and conclusive evidence showing them to have in fact been fully recognized Cherokee Indians at the times of the treaties of 1835-6 and 1846, or that they are descended from some Indian ancestor who was recognized at that time, in order that your right and those claiming through you to participate in the present Cherokee judgment, may be sustained.

Very respectfully,

Special Agent in Charge.

Mr. Guernsey Cumming
Washington D.C. Aug 20 1908
Dear Sir
In reply to your letter as to
application no 21333 desire to state
following

1 I am 22 years old and my post office
address is Cumming, Ga R 42
2 I claim my Indian blood through
my father Charlie Burger

3 My father is now living and is
58 years old my father was
recognized as a white person in
the community in which he lived
mixed with Indian blood at the
time my father was born the same
had been taken to the Indian

Territory so at that time my grand
parents were now living with the Cherokee
Indian but was living with white people.
if I am under the impression that my
grandfather and grand mother Burger
each had Cherokee Indian blood though
I am not positive as to that. my grand
father Jim Burger and my grandmother
was Melilla Burgers understand that
my grand father at one time lived with
the Cherokee Indians.

My father never received money or land
from the government on account of his
Indian blood but I am not sure as
to my grand parents they may have
received money from the government.

I am unable to state whether any of my
ancestors were enrolled or not but
if they were it was with the
Cherokee Indian tribe and here in the
East. my mother Melilla Burger ne Phillips
was living in territory that belonged
to the Cherokee Indians in Georgia before
they were taken to the territory and
I think lived in what is now called
Hall Co Ga.

I do not know whether my
ancestors took part in tribal proceedings
with the Cherokee Indians but my
father has lived ever since he
became 21 years of age.

I think my grand parents were
living in the territory that belonged

4

to the Cherokee Indians about
the year 1835, but I am not able to
state why they did not go to
the territory with the Cherokee Indians
as great grand parents may have gone
for all that I know and I think
probable that they did.

9 my people are of white or
Caucasian descent mixed with
Indian blood.

10 I have always been taught that
my father and his parents were of
Cherokee Indian blood mixed with
white blood and my father has
ever appearance of this blood and
he was and is as much as it is.

our family history I know
that I have Cherokee Indian blood.
11 yes I have heard of the treaty of
1835 but I am now rather young
and of course my information is
quite limited I know however the
treaty of 1835 was a treaty of the
Cherokee Indians with the
government when they sold the
land belonging to the Cherokee
Indian Nation to the United States.
12 In 1852 I was living in North
Georgia in county of Guinnell

 In the matter of the claim of John C. Samples No. 55.

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

It is claimed that applicant is the son of Sallie
Samples who was the daughter of Cullen Davis
and Mamie Davis nee Hammons.

I knew Cullen Davis and his wife Mamie Davis

Davis before the Cherokee Indians were removed
from Georgia. Sallie Davis was recognized by
the Cherokee Indians to be a descendant of the
Cherokee Indians and she claimed to be of
Cherokee Indian parentage before the Cherokee
Indians were taken away from Georgia.

Sallie Davis as I understood always claimed
to be of Cherokee Indian parentage even
after the Indians were taken away.

I was born in Hall County, Georgia and
knew the above mentioned Davises before the
Indians were removed and it was then
when the Cherokee Indians claimed these people
to be Cherokee Indians

Dear Sir:-

There are several claimants in this section for a share in the Eastern and Emigrant Cherokee fund, and these parties have recently received communications from Attorneys representing them calling for small fees to defray the expense of prosecuting their claims.

One of these, Mrs. Martha S. Johnson, claimant No. 21550, I have advised not to pay this fee, and she being an illiterate woman and not able to look after her interests, I have offered to inquire into the matter for her.

Will you kindly advise me if her claim was duly filed and the status of these claims at the present time.

Sir:

Replying to your letter of March 11, 1908, you are advised that Mrs. Martha S. Johnson's application has been received and filed as No. 21550.

We cannot advise you, at this time, whether Mrs. Johnson is entitled to share in this fund as her application has not been reached for final adjudication.

It is not necessary for claimants to employ attorneys unless they so desire. However, when attorneys are employed by claimants this office can make no suggestions as to fees, as that is a matter entirely between the claimant and their attorney.

Mr. Guior Miller,

Washington, D.C.

Dear Sir:-

I was living in Center, Cherokee County, Ala. in 1882. I knew nothing of any roll being made up and did not hear about any roll untill last year when I saw it in the Rome Tribune and heard the people talking about it.

I do not know why my father, who is a half Cherokee ~~INDIAN~~ Indian was not enrolled in 1851 but suppose it was through his ~~XXX~~ negligence and from the fact that he has no education whatever and also he was a slave of a White man. My father William Hancock is one half Cherokee Indian and one half negro.

Sir:

You state in the application which you have filed for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, that your mother, Elizabeth Roper, was enrolled in 1851. Please state all your reasons for thinking that your mother was enrolled at that time, and under what name do you think she was enrolled? The name of Elizabeth Roper, or Raper, does not seem to appear upon the Roll. Were your grandparents, or any of them, ever enrolled, and if not, why? Why have you never been enrolled? Were any of your ancestors ever slaves? Please state clearly all your reasons for thinking that you are entitled to participate in this fund.

Were any of your ancestors parties to the treaties of 1841-2 and 1846?

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee, state where you resided in 1882, and why you were not enrolled at that time.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1854-55, if living at that time? Where were your grandparents on the side through which you claim residing in 1854-55?

If your parents or grandparents were slaves, please state whether slaves of Indians or white people.

Very respectfully,

No. 21558.

No. Emma Gibson, being first duly sworn and examined, deposes and says:

My name is Emma Gibson: I was born in Floyd Co., Ga. 1869: I am thirty-nine years old: I claim my Indian blood through my father, George Washington: my father got his Indian blood from his mother: I am unable to trace my Indian ancestry farther back than my grandmother, Lizzie Washington: both my father and grandmother through whom I claim were slaves of white people: I was never a slave: my grandmother told me that she was part Cherokee: she never told me how much, but she had a good deal of Cherokee blood in her.

Emma Gibson

SUBSCRIBED and sworn to before me, at Rome, Ga., this 2nd day of July, 1908.

Assistant to Special Commissioner
of the Court of Claims.

Sir:

Relative to your claim for participation in the Eastern Cherokee Fund, please advise this Office if you are related to Charles or Billy Weatherford, who figured in the massacre at Fort Mims; if so, please advise this Office what relation they were to you. If so, do you claim your Indian blood through that family or Weatherford?

In what part of Alabama was your grandfather, Henry Mims, born? Where was he living in 1835 and 1858, and why was he not enrolled at those times?

Were your father and mother ever held as slaves; if so, were they owned by white people or Indians?

Please be prompt and refer in your reply to No. 21569.

Very respectfully,

Special Commissioner,

Dear Sir:-

I have the honor to acknowledge the receipt of your letter of the 28th inst. regarding the matter of the estate of the late Mr. W. H. Weatherford, deceased, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

I am sorry to hear that you have been unable to get to Weatherford's mother for her affidavit. I am sure that I will be able to assist you in this matter.

I am, Sir, very respectfully,
Yours truly,

A. H. D'Alemberte

P. S. Have been unable to get to Weatherford's mother for her affidavit.

Q- 1. Why were you never enrolled?

A. I was ^{not} born in 1846.

Q- 2. Why was your parents or grandparents never enrolled?

A. I do not know; I am of the opinion that my father was not aware of the enrollment of 1846. I do not know why my grandparents were not enrolled but presume they, to, were not aware of the enrollment.

Q- 3. Were any of your ancestors slaves?

A. Not that I am aware of. I never heard my father state whether he was ever held as a slave or not, but I am of the opinion he was free until the war of 1861-4 when he was forced into service by the Southerners.

Q- 4. Were any of your ancestors Creek Indians?

A. My father was a descendant of the Creek Indians and I have been advised that he was a relative of " Billy Weatherford" the Indian Chief.

Q- 5. State clearly all your reasons for thinking you are entitled to share in the funds?

A. I am entitled because I am a descendant of Henry Weatherford who was a descendant of the Creek Indians, who I am advised are a part of the original Eastern Cherokee Indian tribe, as, I have been informed that my people came from North Carolina, that section where the Cherokees were located.

*M. Ella Alexander,

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. *21575*.... for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

Sir:-

With reference to your application for participation in the Eastern Cherokee Fund, I beg to state that I am unable to locate either your mother or her mother on the Cherokee rolls. The name of Gibbs is not on the rolls at all. Can you give us the county and state in which your mother and her mother were born, and also as near as possible the year of the birth of each?

Did your mother and her mother always live with the Indians as members of the tribe? If not, when did they leave the tribe? Just where was your mother and grandmother living in 1835 and in 1851?

Give as near as possible the exact date when your mother was married. Did she ever go by any other name than that of Blevins or Gibbs.

You state in your application that your mother was on the emigrant roll of 1851. Where do you get such information, and what reason have you for thinking that she is on that roll? If she drew money in 1851, where did she go to get it, and if

JOHN W. WHITE, being first duly sworn, deposes and says:

My name is John W. White; I am 52 years old; my P. O. is Round Peak, Surry Co., N. C., R. F. D. No. 1. I claim Indian blood through my mother; from what my grandfather always said, she was a Cherokee Indian. My mother died about 2 years ago; she died in Stokes Co., at my sister's. She was born in Patrick Co., Va., in 1829. I suppose she lived in Patrick Co., Va., in 1835, as well as in 1851. She lived in Patrick Co., Va. up until about 1855. She never received any money from the Government on account of her Indian blood; she was never enrolled as an Indian. She lived part of the time with me and my family. I have heard her say that she had Indian blood in her veins ever since I can recollect. She claimed to have Cherokee blood, from what her father had told her. Her father died about 1829; his name was Prior May. He died in Rockingham Co., N. C., and he was born in 1804, in Patrick Co., Va., and I suppose he lived in Patrick Co., Va., in 1835 and 1851. He never received any money from the Government on account of his Indian blood that I know of. I remember him very well and heard him claim to be an Cherokee Indian many a time. I guess he never lived with the tribe. Prior May got his Indian blood from his grandmother; I have heard him say many a time that his father's mother was a full-blood Cherokee Indian. Prior May's father was John May, and I don't remember his mother's name, but she was an Indian. I don't know whether or not the Indians recognized my grandfather as one of their number or not; I never saw any Indians at his house. The old gentlemen never took any interest in politics, but he voted. I never made any claim on account of my Indian blood before this enrollment came up. Jos. B. White (21614), who is present/ is my brother. Mary E. Chandler (21615) is my sister.

Robert D. Harris being first duly sworn deposes and says:

I live at Mt. Airy, N.C., in Surry Co. I am 60 years of age and was born in Surry County, about three miles from Pilot Mountain. William H. Harris was my father and Elvina Davis my mother. I claim Indian blood through my father, who died in 1881. He was born in 1812 at the old Harris place near Pilot Mountain. So far as I know, he lived in Surry County all of his life. I claim Indian blood through my grandfather, Rob Harris, who died about 1845. The first I knew of my Indian blood was when the school children called us Indians, and we went home and asked our parents, and my father told us that we had Indian blood, but he never told us how it came. Sometime while we were children I talked with him about our Indian blood, and he did not come out and tell us, but, in the course of the chat, I learned about it. We just learned that we were related to the Cherokees. He always mentioned the Cherokees. He told us that his father was a Cherokee Indian, and never went any further back. He did not say where my grandfather was born. I do not know where my grandfather moved to this part of the country. I do not know where my grandmother was born. I have heard others say that she was part Indian. I never heard my father speak of the Catawba Indians. I never heard anything which led me to believe that my grandfather came from Virginia. I never heard my father speak of being enrolled as an Indian. I have generally passed in the community as a white man, and my father also passed as a white man; but once in a while the fact that he was an Indian was thrown up to him by his neighbors when they had any disputes. I was not enrolled in 1883 or 1884 by Agent Lester. I did not know of that enrollment. I never heard that I was enrolled in 1881, although I was living at that time. There has been no settlement, or village, of Cherokee Indians in this section of the country since I can remember. They said that the Indians used to visit my grandfather, on their way from the West to some point, I think, in South Carolina. I have never seen any, then. If I did I do not remember, as I was too small. My father never lived with any Indian tribe that I have heard of.

Personally appeared before me Mr Badgett
a notary Public, Robert J. Harris, Nat Aing
N.C. R F D #5 who after being duly sworn
deposes and says that he is 76 years old
and was born and raised in Surry Co.,
N.C. and lived in Surry County N.C. until
he was about 40 years old, when he
moved to Carrall Co Va and has re-
sided in Carrall Co, Va until the
present time, That he knew Wm H. Harris
who lived and died in Surry County, N.C.
That the neighbors of Wm H. Harris, when made,
would throw up to Wm H. Harris that he
was part Cherokee Indian, and that his
(Wm H. Harris) father Robert Harris, was
always said to be half Cherokee Indian,
this was the general understanding and
he was so recognized by his neighbors,
That Robert Harris, sen, wife Dyce
Harris (Dyce children before marriage) was
always said to be about half Cherokee
Indian, and that she had every appearance
of a Cherokee Indian, That affiant
remembers seeing Dyce Harris,

That when W.H. Harris was married to Elvina Davis, her father and mother were very much opposed to the marriage, on account of W.H. Harris being part Cherokee Indian, that they were so much opposed to the marriage that his wife stepped out of a window at night and they ran away and married. That the sole and only objection to the marriage was on account of Cherokee Indian blood in W.H. Harris.

That affiant has heard of groups of 10 or 12 Cherokee Indians at a time passing through Surry County and wandering about like lost sheep. That affiant has, near his home on his farm plowed up Indian, hatchets, traps, etc and that some have been done at number of places in his section.

That affiant has seen Cherokee Indians near Sweetwater, Tenn.

That affiant's father, Seth Harris, ~~and~~ a brother of W.H. Harris, affiant's mother has always told him, that Seth Harris while a young man went to the Cherokee Nation and lived about 10 years, then come back to Surry Co. and married, Olive Marsh, affiant's mother.

That Seth Harris, according to affiant's best information, lived in the Cherokee nation sometime about between 1830 - 1845

That "Spy" Harris a nephew of Wm H Harris left here about 1848 or 1850 and told offiunt he was going to Cherokee nation and that offiunt has never heard anything ^{of him} either directly or indirectly since. That Ethel Harris, a sister of Wm H Harris,

with her a great ^{deal of the time} offiunt was well acquainted with her ^{and was} ~~and was with her~~ until she died about about 1898 or 1899, That she had the resemblance and appearance of a Cherokee Indian more than any of the others, who showed it very plainly.

That offiunt has always heard that Robert Harris, Sr, Jesse McKinney and Jerry Wooten years ago visited the Cherokee Indians in the Cherokee nation and stayed for some time.

That offiunt was born in 1831 and that when offiunt can first remember Surry County was very sparsely settled, that if you could in nearly all the public roads, travel four, six, eight and ten miles at a time without seeing any field or house, that on the road from Rockford to Robert Harris place on arret river there was a road always counted fourteen miles and on this road there was only one little cabin and that was Jacob Donathin, and on said road

In the matter of the Distribution of }
The Funds Belonging to the Descendants }
of the Eastern Cherokee Indians }

Personally appeared before me W.R. Badgett
a Notary Public, a Creed of Mt Airy
N.C. who after being duly sworn deposes
and says ^{that he is sixty nine years old -} that he knows R.D. Harris of
Mt Airy and J.W. Harris of Mt Airy, N.C.

R.D. #5 who as affiant is informed have
filed their claims for participation in the
funds of the descendants of Eastern Cherokee
Indians, also that he knew their father
Wm H Harris who lived in Surry County N.C.
and died in Surry County N.C. about 1881.

That he also knew Seth Harris who was a
brother of Wm H Harris, That ^{Pleas Marshall} ~~Seth Harris~~
told affiant that he (^{Pleas Marshall} ~~Seth Harris~~) ^{Seth} ~~Pleas~~
^{Harris} ~~Marshall~~ and Jerry Woaten went to the
Cherokee Nation and lived with the
Cherokee Indians ^{and that he Pleas Marshall stayed with them} for two years. He further
told affiant of what the Indians gave them
to eat and how they prepared it.

That affiant has always been told since
a boy that Wm H Harris, Seth Harris and
his brothers & sisters were mixed with
the Cherokee Indians

That affiant's mother always told affiant

that when W^m H Harris married that his wife's father and mother were very much opposed to the marriage on account of the Cherokee Indian blood in W^m H Harris, saying they did not want their daughter to marry a mixed blood Indian. That the Indian blood was the only objection to the marriage. That the objection was so strong that W^m H Harris had to steal his wife at night through the window.

That it has always been generally understood ever since affiant can remember that W^m H Harris & his brothers & sisters were mixed with the Cherokee Indians. That affiant has seen Cherokee Indians and that Beth Harris and W^m H Harris had about the same color, complexion, and were about such built men as the Cherokee Indians.

That affiant has never heard of any one ever being in Surry County or adjoining Counties enslaving the Indians.

That affiant was born in 1839 and that affiant can remember when there were not more than four fine roads through the County and that it was a common thing to travel 4, 6, 8, & 10 miles and in some instances farther without seeing any house or cleared fields. That the Country was very sparsely settled, only a few cabins on the streams with small patches of cleared land around them.

That Officet can remember when Mt Airy
N.C., which is now a town of 6000 or more
inhabitants, was only a cross roads little
village containing less than one hundred inhabitants
At that time there was no other town in
the County, except Rockford, which also con-
tained less than 100 inhabitants.

That when Officet ^{first} remembers it was
a common occurrence to see ten or a dozen
wild deer and also wild bears were
found over the County, That he could get
up most any morning in the spring and
hear wild turkey in different directions,

That Officet has no interest in the above
claims or any other claims filed in
this Court.

EDMOND E. KINGSBURY, being first duly sworn, deposes and says:

My name is Edmond E. Kingsbury; I am 64 years old; I live at Mt. Airy, N. C. I have lived in Surry Co. since I was a child. I claim Indian blood. I was born in Stokes Co. I claim Indian blood through both mother and father's side. My mother was a Catawba Indian and my father a Cherokee. I never made any claim before this; never knew anything of it. Never received any money on account of my Cherokee blood. My father was John Kingsbury; he died at 75 years. He was born in Guilford Co., on the Catawba River (N. C.) His father died in Guilford Co.; he practiced medicine in Guilford Co.; they say he was an Indian, a Cherokee Indian. He lived in Greensboro and died there. He never received any money from the Government on account of his Indian blood that I know of. I don't know whether he was a full blood or not. My father never received any money from the Government on account of his Indian blood. I do not know whether my father was ever enrolled with the Indians. My father was a voter and I have voted always. I have known the Cherokee Indians to be here in Surry Co. I have seen Indians here and don't know to what tribe they belonged. I have been seeing Indians here for the last 15 years off and on, but I do not know what kind of Indians they were. My father claimed to be a member of the Cherokee tribe of Indians. He boasted of being a relative of Pocahontas; I have heard him say that many a time. My father was recognized as belonging to the Cherokee Indians by the tribe, because he kept a shop and they came in the shop and dragged him around and took him out, and my mother fainted; they seemed glad to see him, but she did not know what was the matter. I have no other reason for thinking that he was recognized by the tribe than what I have stated. I remember that incident; there were a dozen or two Indians; they were going to ~~Washington~~ Raleigh, they said, to see the Governor about some claims. That was in Greensboro, N. C., where that happened. I do not know where they came from; they professed to be Cherokee Indians. He gave them something to eat; they had a haversack with them. My grandfather got his Indian blood through my great-grandfather, John Kingsbury, Sr. My great-grandfather married a Cherokee woman; my father always said that he (my great-grandfather) always lived and died with the Cherokee Nation. That is where we got our Indian blood, by that marriage with the Cherokees.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Indian Territory.

Sir:-

Replying to your letter of September 10, 1907, you are advised that if your child was born after May 28, 1906, it would not be entitled to participate in this Eastern Cherokee fund.

Your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

My name is J. Hughes Ivy. I am 44 years old. I live in Banks Co., Ga., and have lived in Hall Co., Ga. I have lived about 12 month in N. C. My mother always said I had Cherokee blood. I claim about 1/16. I claim through my mother, Jodie Evans. My mother is dead. She has been dead about 31 years. She was 47 when she died. I do not know if my mother was enrolled in 1851. I do not know that she was enrolled in 1835. The only reason I know is that we lived in a back country and did not know anything about it. I never heard any talk of the enrollment. My mother never lived with the Indians. My mother did not visit the Indians except to see their camps. My mother got her blood from her father, Davy Evans. I do not know whether he ever got any money from the Government. Davy Evans lived in Hall Co. I think he lived in Cherokee somewhere. I do not know that he ever went to Arkansas. I have an uncle in Arkansas. His name is James Evans. He has lived there ever since the Surrender in 1865. I do not know that they ever had any Indian names, or were known by any other name than Evans. My people have have always been considered as white people with Indian blood. My son is Wm. Decato Ivy is my son.

M. J. Toney, being duly sworn, deposes and says: That he has always heard J. Hughes' Ivey's parents talk about their Indian blood.

Dear Sir,

I sent in my application a few months ago and have not heard directly from you since. The people here talk so slack about it as though there is nothing of it.

Now what I want to know is this. Are we really going to get any thing or is it just talk like most people say.

If it is true when will we get it? And will it be sent here to us or will we have to come up there for it.

Now our race of people is
a big race and can be
easily found. Our old grand
father was Jim Heale and
he was a real old Indian.
He died and was buried in
Wythe County. And you will find
the most of my people in
Albington County and in Tenn.

Now please let me
hear from you as soon as you
can

Sir:-

You have on file in this office application #13812 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you claim through your father, John Wolf, and your grandfather, Squirrel.

I beg to advise that I cannot find the name of John Wolf on the roll of 1851, and, as there are quite a few names on the roll under the title of Squirrel, you will have to give us more definite information, in order that we may trace your ancestors. What other name did your father bear in 1851--that is, did he have an Indian name? Who was his mother, and where were your grandfather and grandmother residing in 1851? To what race did your mother, Judith Guy, belong--that is, was she White and Indian or Negro and Indian? Have you any aunts or uncles on your father's side who were living in 1851? If so, please give their names, and if they are now living and have filed applications in this office, the numbers of their applications.

Dear Sir:

I will
send you a few lines to
let you know I have sent
in all the children's papers
except one and he lives in
Tex. I haven't heard from him.

They are as near
correct as I know how to fix
them. I expect my Uncle,
Tom Shillineau, gave in
a more correct statement
than I as he is much older.

I don't know if it makes
any difference but when I
get all my children's
papers in a box.

My youngest son was in
Haverhill but has since
come home. My wife and
myself are all that's at-
home. My wife is the family
doctor here. I have always
known there was nothing
wrong in you but never
thought, enough about it
to inquire or ask any
questions. It was on my
father's side. I've tried
every thing first to the
best of my knowledge
for I didn't want to do any
thing wrong in any way.

but we have about the
best-proof of any one they've
seen and they do it see why
we can be beat-out of it. I
a lawyer told me I should
put it in the hands of a lawyer
and he could get it.

He thought all that was
needed was proof that we had
Indian blood and as there
are a great many who know
we have I can't see what
more is needed.

Now Mr. Miller if you
will see for this business
for we will pay you
or would it be best to put
it in the hands of a first-
class lawyer. You have also
been so nice and kind I
hope you won't feel worried
that I will you still hope
hoping you are an honest
and honorable man and I will

My old Uncle says he
believes its just a scheme
they have made up to beat
the judges ^{and} rights he
said his mother died when
he was quite young & he
could only remember her
name & where she was
married and told her age
as near as he could.

I await your advice and
will put it in the hands
of a first class lawyer at
your if you think best.

There is only twenty of us
and in all the self-reliance

the business, 13000. Since
since but its cost me a
little money and lots of
trouble to fill up so many
papers and others here have
got to work that didn't have
as good proof as we.

I wish to state under head of remarks
that the reason I cant give positive dates in
all cases is from the fact that my father
was left an orphan boy quite young
there were 6 children in the family and at
the death of ^{their} Father and mother which was
4 days apart the children were separated
and as a result of this separation they lost
trace of one another for years my father
came to Texas in 1871 and has never seen but
one of his sisters up to this time and she
came to see him in January 1907 and these
dates in regard to the death of his sisters
are only the year in which he heard about it
The fact they have been separated when they were
small and have never known but very little of
each other is the reason they have no better connected
family history

Andrew D. Ledbetter,

Crandall,

Texas.

Sir:-

Replying to your letter of June 27, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should file a supplemental application in their behalf.

A supplemental application blank is inclosed.

Dear Sir,

Relative to questions sent
me regarding to judgment of court of
claims in favor of Eastern Cherokees.
Will state, my parents and myself
resided in 1842 in Iowa, and was
a younger set knew nothing of this
opportunity to establish our claim.

In 1857, My Great Grandmother
Martha Durham. I think it
was neglect or carelessness.

In 1834-35 resided in South
West Missouri.

Do not know whether they
were slaves or not, yet do not

Think there were.

Would like to know if you have application of my brother, R. H. Fisher. As I stood guardian for him and attending to all his business while he was stationed at Moro, P. I. in Co. B. 5th Inf. And at time of filling applications had not time to send to him and get returned. I suppose a notary Public and witnesses do know as both from childhood and had sent signed his application placed in envelope with mine. I have never seen application nor of his. He is still in Co. B. 15th Inf. stationed now at Salt Lake City. Utah. Wm. J. Dumas

Any information of said
application would be gladly
received and appreciated.

Yours respty.

Dear Sir:- Your letter to Eliza Hanley was handed to me as her attorney with request to answer and in reply will say that I am not sure that I understand just what further evidence it is that you want her to furnish.

She is one of a large number of children of John and Robinson who have all filed their claims with you and while her parents may not be on any roll her grandparents are likely on some roll mentioned in your letter.

She is descended from the Leatherwoods and Fergusons or Ferguson's who were Eastern Cherokee Indians.

If any further information is wanted please let me know and if I have not given you what you want in your letter to her please let me hear from you again more fully in regard to this matter.

Yours truly,

If so, please state what the evidence is, and send us the names of any witnesses who will testify to that effect.

My dear Mr. Tanner:

I have your letter of January 19th replying to my inquiry at the instance of Mrs. T.T. Springfield in an effort to obtain a copy of her claim filed with the Office of Indian Affairs, and note that you say that there is no record in your court of any such claim, and suggesting that such copy can possibly be obtained upon application to the Indian Office.

I made a similar request of the Office of Indian Affairs, and under date of January 14th received a letter from Commissioner Burke, a copy of which is enclosed for your information. You will note in the last paragraph of his letter that he suggests that I write you for such copy, stating that all the records of such claims now form part of the records of the United States Court of Claims.

May I trouble you to make a further investigation in this matter as Mrs. Springfield is most anxious to obtain a copy of her former claim.

Appreciating your courtesy in this matter, and with assurances of high regard,

Yours very truly,

D. H. Kincheloe

REPLY TO THE FOLLOWING:

1811-26

UNITED STATES
DEPARTMENT OF THE INTERIOR
OFFICE OF INDIAN AFFAIRS
WASHINGTON

JAN 14 1926

My dear Mr. Kincheloe:

This Office has your letter of January 11, 1926, relative to obtaining a copy of the claim filed by Mrs. T. T. Springfield, Madisonville, Kentucky.

The records show that the claim number mentioned by you is that of Mrs. Florence Johnson and five children, of Cumberland Furnace, Tennessee, who applied in 1909, for a share in the judgment of the United States Court of Claims in favor of the Eastern and Emigrant bands of Cherokee Indians. Her application was rejected for the following reasons:

It does not appear that any ancestor was ever enrolled or that any ancestor was a party to the treaty of 1835-6-48. Ancestors did not live in the Cherokee domain. Claims through father who was born in Virginia in 1830.

Should Mrs. Springfield be one of the children of Mrs. Florence Johnson, there would be but little, if any, chance of her being enrolled with the Eastern band of Cherokee Indians, North Carolina, under the Provisions of the Act of June 4, 1924 (43 Stat. L., 376), directing that a final roll be made of this band.

All of the files, including the rejected applications, now form part of the records of the United States Court of Claims; and by writing to the Clerk of the Court it is believed that a copy could be obtained by Mrs. Springfield.

A carbon copy of this answer is inclosed for your convenience.

Cordially yours,

(Signed) Chas. H. Burke

Florence Johnson,

Madam:-

Replying to your letter of September 4, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

REPORT IN CASE OF ALICE SIMPSON, NO. 21631.

The evidence in this case shows that neither the applicant nor her ancestors ever received any land or money from the Government. Applicant's maiden name was Alice McCauslin, and she was born in 1851 near Dutchtown, Indian Territory. Her mother's name was Jane McCauslin, nee Jane Ross; her father was a white man. It is claimed that Jane Ross was an emigrant Cherokee; however, it is apparent that she was born in Bedford County, Tennessee, in 1829, which was outside the limits of the Cherokee Domain. They emigrated when she was about thirteen years old. The name of Jane McCauslin, which was applicant's grandmother's name in 1851, does not appear upon the rolls of that date. She died in Oklahoma in 1907 and had always lived there, yet she never was allowed an allotment by the Daws Commission. It is claimed that applicant's grandmother had a brother by the name of Butcher Ross. There is no one by that name upon the Rolls of 1835 or 1851.

If claims of applicant are correct, the name of Jane McCauslin should appear on the Roll of 1851, or in event of failure satisfactory explanation should be made, neither of which appear in this case. The evidence wholly fails to establish the right to participate in this fund and this case is therefore rejected. (See Miscellaneous Testimony, page 2030).

Mrs. Alice Simpson,

Argenta, Arkansas.

Madam:-

Replying to your letter of August 10, 1907, you are advised that your application for participation in the Eastern Cherokee fund will be taken up in its regular order and considered, regardless of whether or not you are represented by an attorney.

If we find that there is any further proof or information required in connection with your claim you will be notified in time to supply the same.

Very respectfully,

Special Commissioner.

NLC.

Mrs. Alice Simpson being first duly sworn, deposes and says:

That I am 38 years of age and live in Argenta, Ark. (Pulaski County). I claim Indian descent through my mother; my father was a full blooded white man. My mother claimed through her mother; her father was a white man. My mother was born in Ind. Ter. near the Arkansas line and her mother was born in Chattanooga, Tenn. My mother was 53 years old when she died. She died in 1904. My mother did not live with the Indians as a member of the tribe. My grandmother, Jane Ross, emigrated with the Indians from Tenn. That was a long time before the war - some time in the thirties. My grandmother was then about 13 years old. About 60 families emigrated at that time to the Territory - near Dutchtown. That was their trading post. Jane Ross married Mc Causlin. Don't know when she married. She died in May 1907 at about 78 years of age. She died in the Territory, on the Canadian River. She was living with her son when she died. She did not receive any money or land from the government. My great grandmother was 3/4 Cherokee. My grandmother was third cousin to Chief John Ross. My grandmother had a brother Butcher Ross and a sister Sarah Ross. Jane Ross' mother was Nancy Enloe and she married John Ross, but not the chief Ross, but he was a relative of the chief. I am recognized as a white woman in the community. I have always claimed Indian blood. I nor my mother nor grandmother never received any money from the government. Jane Ross was on one of the old Cherokee rolls. Mr. Mayfield, one of the lawyers at Vian, Okla. found my grandmother's and great grandfather's names on the roll. My great grandparents came west. My great grandparents and grandmother lived in Tenn. between Chattanooga and Nashville. They all lived right in the tribe after they came west. My great grandmother lived with the Indians until she died and my grandmother ceased to live with the Indians when she married Mc Causlin. Both of my great grandparents died near Dutchtown. I made application at Tahlequah for land but never got it. We lacked one more witness. This was for land that our great grandparents were supposed to have gotten on account of their rights as Indians. All I know about the roll that Jane Ross is on is that Mayfield told me it was the old emigrant roll and ~~my~~ she was enrolled under the name of Jane Ross. My grandmother never tried to be enrolled by the Dawes Commission. They told us if we would give them so much they would get our land for us but we did not file with them. John L. Springston is in with Mayfield and he was the first one who wrote to Washington for me about my claim. The only reason I know that my mother was not enrolled was that she married a white man. My husband is white.

Mrs. Martha Hudgins,

Mena,

Arkansas.

Madam:-

Your letter of August 12, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 33,000 applications on file, and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Your stamped envelope is returned.

Very respectfully,

NLC.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAR 31 1908
No.

184B.

Vian, Okla, March 24, 1908.

Hon. Guion Miller,
Special Commissioner—

Sir: —

In reply to your notice of March 20, 08, in Claim No. 21636. my father I am satisfied was living in 1835 but where I am unable to state, my guess is he must have then lived, I say this because I was a Soldier in the U. S. Army in 1861, 5 — and I will add hereto that in the old Settler payment in 1851, 2 I received old Settler money — also in the last old Settler payment in the nineties I received old Settler money, though only on acct of my mother —

This fact as I view it makes my father an emigrant and as his child I claim share in said Emigrant Fund —

When he was born prior to 1835 I am unable to say — He must have been enrolled with his father, then, George Frog or Wah-lau-se or G. G. — in 33 — my father's mother may have been Susannah though I am not certain —

This is as near as I can come to the facts in the case and I ask that additional notice be served

on me in the case in case as yet
 any question arises or intervenes
 questioning my status as an
 Eastern Cherokee —

my enrollment before the
 Dawes Commission bears # 21194.
 as per my allotment certificate
 & as a Cherokee Indian — on
 the Cherokee Roll —

Such are the facts as far as
 I am able to give them, and
 if entitled to a share in the
 money provided for Emigrant
 Cherokees, my right — ~~there~~ Comes
 through my Father —

Very Respectfully,
 In case further question as to my
 right & status for share in said
 money arises, I ask that I
 be so notified before comple-
 tion of the said roll so I may
 answer further if possible —

Very Respectfully

Lewis Crapo, by
 J. L. Crapo, atty.

on May 28, 1906, he represents him self to be, and that
him had the children living as above set forth, and that the statements made by
him are true, and they have no interest whatever in this claim.

IN RE CLAIM OF STELLA GUTHRIE.

Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:

We enclose herewith the claim of Stella Guthrie to participate in the fund for Eastern Cherokees. She did not have notice of this matter until quite recently and consequently her claim may be lacking in some particularity of proof. We have no access to records here that would show whether or not her ancestors were enrolled. The family name seems to have been "Goin", and it is frequently spelled "Goins", "Going" and "Goings", and we have no doubt that it can be found under one or the other of these spellings. Stella Guthrie's grandmother's maiden name was Sallie McGill, or Magill, or Macgill, and this grandmother, as you will see from proof, frequently told applicant that her mother was full blood Cherokee Indian, applicant's great-grandmother.

With a little more time we could go into the proof with more particularity and we would appreciate it if you would advise us how much time we would have to get up this proof, now that the claim is filed. Applicant does not know much of her father's family, but her father's sister, we are told, is living in the

Indian Territory on land allotted to her. Her maiden name was Vanda Goin, and she is now married and her name is Vanda Ryan. Possibly your records will show her allotment, and this would assist us in tracing claimant's ancestors. We would appreciate any information that you might be able to give us.

Yours truly,
